CHAPTER 04

04 Representative Cases

SEA LAW FIRM

Law Firm
REPRESENTATIVE CASES

Leading Chinese Coking & Energy Chemical Group

SEA Law Firm acted as legal counsel for the client's Indonesian subsidiary, providing end-to-end legal services for land acquisition and transaction matters.

We advised on the acquisition of approximately 1,500 hectares of land within an industrial park that had not yet obtained land certificates, as well as the establishment of a joint venture, with an estimated transaction value of USD 233 million. Our services included legal due diligence, legal opinions, transaction structuring, negotiation support, and comprehensive legal advice throughout the acquisition and joint venture process.

Leading Energy Equipment Manufacturer

SEA Law Firm acted as legal counsel, providing legal analysis and compliance review of the project's key transaction documents and related legal matters to facilitate the successful implementation of the project.

The project is one of Indonesia's key clean energy infrastructure projects, involving a cross-border EPC (Engineering, Procurement, and Construction) arrangement and multiple participating stakeholders. Given its significant scale and complex transaction structure, we delivered comprehensive legal support throughout the project.

Law Firm

REPRESENTATIVE Land Transaction CASES

Listed Ink Manufacturing Company

SEA Law Firm provided one-stop legal services for a major land acquisition project within an industrial park, covering legal due diligence, transaction negotiations, land sale and purchase documentation, and title transfer registration.We successfully assisted in completing a land transaction with a total value exceeding IDR 35 billion.

PT Donlim Technology Indonesia

SEA Law Firm conducted comprehensive legal due diligence for a land acquisition project located in JIPS Industrial Park and drafted the Sale and Purchase Agreement (SPA). Our legal support played a key role in facilitating the client's large-scale industrial expansion in the region.

Leading Chinese Heavy Machinery Company

Acting as legal counsel for the client's Indonesian subsidiary, SEA Law Firm provided end-to-end legal services for a land acquisition transaction. Our services included transaction structuring, legal due diligence, drafting and reviewing transaction documents, negotiating key commercial terms, establishing closing conditions, and supporting transaction completion. Through comprehensive legal support, we helped the client effectively manage legal risks, ensure regulatory compliance, and successfully achieve its commercial objectives.

Fujian Honggang Textile Technology Co., Ltd.

SEA Law Firm provided comprehensive legal services throughout the land acquisition process and successfully assisted the client in completing the purchase of 10.5 hectares of land, ensuring a smooth and legally compliant transaction.

Law Firm

REPRESENTATIVE M&A CASES

PT Dezhiqing New Energy Indonesia

SEA Law Firm successfully advised the client on the acquisition of 100% of the target company's shares, with a total transaction value exceeding IDR 25 billion.

PT Beauty Linking Hair Product

SEA Law Firm provided comprehensive, one-stop legal services covering the entire corporate lifecycle—from drafting the company's constitutional documents prior to incorporation to providing full legal support for significant changes in the shareholding structure. We successfully assisted the client in completing the acquisition of 100% of the target company's shares and advised on the post-acquisition corporate restructuring.

PT Eyecos Kosmetik Indonesia

SEA Law Firm successfully assisted the client in completing the acquisition of 100% of the target company's shares, with a transaction value exceeding IDR 5 billion.

Chinese-Invested Coconut Processing Enterprise

SEA Law Firm acted as legal counsel for the client's coconut processing project in Indonesia, providing specialized legal services throughout the investment process. The project involved the acquisition of local assets through an Indonesian company to support the development and operational expansion of the client's coconut processing business.

Our team conducted legal due diligence on the target company's land, factory facilities, and related assets, and advised on transaction structuring, asset transfer arrangements, and legal risk management. We provided comprehensive legal support to facilitate the successful completion of the local asset acquisition, establishing a solid legal and compliance foundation for the client's subsequent investment and operations in Indonesia.
